

The Home of Early Education and Childcare

Building relationships with families and communities to develop every child, in a nurturing and engaging environment.

ALWAYS GROWING NURSERY

- Always Growing Nursery Wessex offers a unique approach to early education and childcare that keeps the children at the centre.
- We do this through our four pillars of pedagogy (4POP).

HEADLINE INFORMATION

- Our nursery is open 09:00-15:00 term-time only. We are closed on Bank Holidays too.

We accept children from the age of 2 years, but also accept 'rising 2's' for those children and parents who are ready a little earlier.

- We offer bookings based around a range of sessions with a minimum booking requirement of 2 sessions per week.
- Bookings are calculated and are payable by a monthly fee through the 15 or 30 hours of free childcare funding, childcare vouchers or electronic transfer.

NURSERY KEY FEATURES

We are a key member of the Maidenhead community and pride ourselves on getting to know families, children and their needs to provide a service the community need

Our classrooms meet the 7 areas of EYFS Development

A language rich environment to encourage positive communication and expression

There are structured and child-led play activities take place throughout the session

Children experience elements of all cultures from around the world through music, stories and art

Lunch and snack should be brought from home and be healthy and balanced. We are a nut-free environment and cannot cook food for individual children on site

We embrace on a range of Early Years pedagogies to promote independence and real life responsibilities

We have a large garden area that allows for learning and being active in the great outdoors.

A TYPICAL MORNING IN THE NURSERY

09:00-09:30

Arrival, welcome and free play

Children enter a relaxed, stimulating environment to start their day of gently exploring the activities that we have on offer for the day.

09:45-10:00

Carpet time

The children and teachers come together for morning carpet time to say Hello to all of the children and to share some songs about the days of the week and the weather.

09:45-11:00

Nappy changes and morning activities

The children take part in focussed activities around their interests and calendar events to build and develop key skills. We use national guidance and our 4POP to provide a range of experiences. The children's nappies are changed during this time.

11:00-11:40

Outdoor time

We appreciate the need to explore the wonderful world outside in our garden. We try and do this every morning so bring your waterproofs!

11:40-12:00

This is a special opportunity for the teachers to share their love and the importance of reading with the children and is one of the highlights of the day. Children are encouraged to talk about the pictures and about what might happen next before creating their own music and singing.

It is then time for lunch which children bring in from home and is another important opportunity to promote independence.

At 12:00 we say goodbye to our morning children and welcome our afternoon children to the session.

A TYPICAL AFTERNOON IN THE NURSERY

12:00-12:45

Lunch time

The children eat their packed lunches in a family style lunch. All children are encouraged to feed themselves, using proper plates, glasses and cutlery with support from the teachers.

12:45-13:00

Carpet time

The children and teachers come together for afternoon carpet time to say Hello to all of the children and to share some songs about the days of the week and weather. The children's nappies are changed during this time.

13:00-14:00

Afternoon activities and nappies

The children continue to take part in focused activities around their interests and calendar events to build and develop key skills. We use national guidance and our 4POP pedagogy to provide a range of experiences.

14:00-14.45

Outdoor time

We enjoy the great outdoors again, appreciating the need to explore the wonderful world outside in our garden.

14:45-15:00

Carpet time

A time to come together for some songs or a story before the children go home.

EARLY YEARS AND PRACTICAL SUPPORT

Always Growing teachers plan and evaluate daily activities to support children's play at the rate and stage that suits your child. Frequent observations are carried out to help identify the stage of children's development and monitor progress carefully to celebrate achievements and identify areas in need of greater focus

We encourage care of the person and care of the environment throughout the nursery. Alongside this, we are promoting fine motor skills, coordination, sequencing and independence

We have meetings with parents across the year to discuss your child's progress

Online Learning Journeys

Holistic recording of learning and development

Collaborative multi-agency working to support children

FAMILY - HELPING OUR PARTNERSHIP

Once your child starts, you will receive log in information for our Family app. You can set up other family members so they can keep in touch too.

Family is an online and mobile tool that will enable us to communicate effectively with you, and vice versa. You can also notify us of attendance and sickness

You will be able to get a weekly insight into your child's activities with the News Feed.

We use Family as part of our assessment and monitoring of children's development, so you can keep track of this and add your own observations and news from home.

If you have any questions or issues using this software please let us know, it has been designed to make working together easier so we can all focus on supporting the children in every way we can.

MEAL TIMES

A photograph of a child in a dark jacket standing at a long, light-colored table. The child is leaning over, setting a table with several white bowls and plates. The table is set with a white tablecloth. The background shows a kitchen area with wooden cabinets and a window with vertical blinds.

- All meals are eaten family style. We sit together and take time to talk about our day. We ask parents to provide a healthy, cold packed lunch and a piece of fruit for snack time.
- We always consider dietary requirements, so please let us know at registration about any specific needs and remember, we are a nut-free environment.
- The children are encouraged to do all they can themselves, including setting the table and clearing their own place away. We encourage the use of utensils, but understand children may still be working on this.
- Children use metal knives and forks and are starting to use glasses and plates wherever possible. We support them as much or as little as they need throughout this time.

GOING GREEN

At Always Growing we strive to reduce our carbon footprint in anyway we can, there are several ways in which we do this and many good reasons why.

- We encourage all parents to provide a reusable wash bag to limit the amount of plastic bags we send dirty washing home in and if needed, eco friendly nappy sacks.
- Having a recycling system in place
- We do not use glitter
- We are mindful of what we laminate in the setting and are always on the lookout for preloved nursery resources that are still in good condition or any items that we can upcycle to make suitable for nursery. We also rotate resources between our 3 settings

Using an eco-friendly approach allows children to have hands-on learning of the real world and unlocks creativity. They also become more engaged about the environment around us.

TOILET LEARNING

- We have appropriate size toilets for the children to use

- For those in nappies we change them by the toilets, standing up where possible, to encourage the association and promote toilet training

- We are happy to discuss a plan for transitioning to underwear and completing toilet training when the time is right for you all

CLOTHING

When your child joins, please ensure they have the following items all labeled:

A complete change of clothes

• Suitable indoor shoes

• Nappies, cream and wipes

• Sun hat sun for summer

• Winter hat, coat, mittens and wellington boots for winter

• All in one waterproof

• Reusable laundry bag

EVENTS AND BIRTHDAYS

- We will have events across the year for parents to attend and will communicate these in good time
- We like to celebrate children's birthdays by singing Happy Birthday to them and we have a birthday hat for them to wear if they wish. The teachers get to celebrate their birthday by having a day off as one of their company benefits.

We ask parents not to bring goody bags but instead to buy a present that could be used by all children. For example, a story book or seeds. These can have a lasting memory for everyone. We have an Amazon wish list link we can send to you upon request too.

BOOKING YOUR PLACE

We are delighted that you are considering booking with Always Growing. Here is a bit more information about how the booking process works and what is required at each stage

1. Email info@alwaysgrowing.co.uk confirming that you would like to register for the nursery

2. Complete the registration form [here](#) then booking request form [here](#). You will need to let us know which days and sessions you require at this point

3. If you are eligible for the 2 year old or 3 and 4 year old funding, there are additional forms to complete. We will require this before we confirm your fees

4. Once we receive your booking request, we will send you a fee schedule and breakdown.

5. Check out <https://www.childcarechoices.gov.uk> for more information about different schemes available to help save money on your fees

6. We will arrange a date for you to come in with your child to complete our starter pack and consent form and plan when the settling in sessions take place

7. Once the settling sessions have been completed it is time to start your Always Growing Journey! The balance of your fees will be due before the first session

8. Fees in addition to government funding are payable one month in advance, so you will need to make sure the payments are set up to reach our account in time

WHAT ELSE WOULD YOU LIKE TO KNOW?

What experience and qualifications do we have?

Always Growing is passionate about developing staff. We are lead by two qualified teachers who are able to draw on their extensive experience of teaching to support the children in our care. All of our Senior Leadership Team hold qualifications at Level 3 or higher and all of our other staff either hold relevant childcare qualifications or are working towards one. We provide regular internal training for everyone, as well as safeguarding training updates.

How do we support children with additional needs?

Our team is lead by our Special Educational Needs Coordinator (SENCO). We have considerable experience in supporting children and young people who have additional needs, medical needs or who are fostered. Please get in touch with us to discuss individual cases and to set up an action plan

What is the procedure for giving medicine to children?

As outlined in our medical policy, we are able to administer prescribed medicine to children with medical consent. We are also able to support children who may need an auto injector for allergies or children who need regular medication

What is the approach to discipline?

Always Growing's philosophy is to manage behaviour in a positive way. We have a range of different strategies in managing behaviour and we encourage children to make good choices. We have a clear, consistent routine and structure to engage the children positively. We have sufficient variety and activities available and ensure that we have plenty of staff to support the children in every way

Where can I see your policies?

All of our policies are available to view, some on our website, or all on site in the nursery.

MEET THE LEADERSHIP TEAM

Lewis - Director

I'm Lewis and I started Always Growing in January 2015 with the aim of providing the highest quality childcare provision. My journey in childcare began with my Level 5 in Playwork. Since then, I have achieved my BSc (Hons) in Psychology, MA in Education and am a Qualified Teacher. I am now working towards my Doctorate in Education which has introduced me to the world of research in the sector, opening my eyes to the challenges faced around the world working with the youngest and most precious children. This has compelled me to advocate for the sector widely, promoting the professionalism and respect for the workforce that they deserve. This is reflected in my role at Always Growing which primarily focuses on staff well-being and development, as well as the everyday challenges and excitement that come from running a small business. These challenges and excitement keep a smile on my face and motivate me to do my best for the children, everyday.

Ben - Director

I'm Ben and have been with Always Growing from the beginning. My journey working with children began in schools teaching a range of students a range of subjects. I began to specialise in Special Educational Needs and inclusion and was SENCO and Designated Safeguarding Lead for many years. I have a Post Graduate Certificate in Special Educational Needs and Disability. In addition, I have a BSc (Hons) in Psychology, am a Qualified Teacher, and am the Designated Safeguarding Lead for Always Growing. I am very passionate about all children being included and supported in the unique way they all deserve and strive to ensure all children are welcomed across our settings. This includes regular training and updates with the team and getting to know families with additional needs personally so I can ensure they are properly supported.

MEET THE LEADERSHIP TEAM

Sam - Co-Leader of Education and Operations

I'm Sam and have been working in the Early Years Sector for the past 25 years. I started my career working as a nanny before moving into working in a nursery and completing my Montessori training for children age birth to six. I am also a qualified forest school leader and first aid trained. I am responsible for developing our learning curriculum and putting into the place the four pillars of pedagogy into the children's every day experiences at Always Growing. I am passionate about the children developing their independence at nursery and love to see all the children sitting eating together at the table using china plates and glasses and enjoying mealtimes as one group.

I deal with the day to day operations of the setting - ensuring that ratios are maintained, organising visits for new children, as well as looking after the well being of the staff too and stepping into the classroom if needed which is the favourite part of my job especially if it involves reading a story.

Shakiba - Co-Leader of Education and Operations

I'm Shakiba and I have been working in the Early Years for over 13 years. My drive to gain deeper insight into child development led me to achieving my BA (Hons) in Childhood and Youth Studies. Following my passion in Early years and focusing on how every opportunity is a learning opportunity, I promote the ethos to help build those foundations for young children through the delivery of the Early Years Foundation Stage (our curriculum) across the Always Growing settings. Working closely with the children, teams, and families - we aim to make sure that every voice is heard.

MEET THE NURSERY TEAM

Paris - Nursery Teacher

Hi i'm Paris I'm currently a level 2 Early Years practitioner, looking forward to doing my Level 3 soon. I've worked at Wessex Primary School for almost 2 years where I've learnt a lot. I'm excited to be apart of the Always Growing team where I can continue to grow. My favourite part about working in nurseries is being that nurturing figure for the children and watching them reach their own individual learning goals.

Colette - Nursery Teacher

I'm Colette and I'm a NNEB Level 3 qualified practitioner with over 25 years experience working with children from birth to 7 years. I have worked at Wessex since 2003, both in the nursery and also supporting hearing impaired children in the school's Hearing Resource Base. I specialise in helping to develop speech and language through play, which I find immensely rewarding.

Bandna - Nursery Teacher

My name is Bandna and I am a qualified NVQ Level 3 Nursery Nurse with 18 years of experience in various childcare settings within diverse communities. I have a keen interest in the preparation and delivery of safe and stimulating age appropriate activities to ensure that all areas of the child's development are met. I am multilingual and can fluently read, speak and write in Hindi, Punjabi and Urdu.

ANNOUNCING ALWAYS GROWING YOU!

This is a new development at Always Growing which focuses on developing their workforce, parents and guardians in Early Years.

What is it?

- ✓ We are providing professional development for the sector, by the sector.
- ✓ In person workshops at our Maidenhead site, moving towards online sessions in time.
- ✓ The first sessions will be focused on Makaton, a unique language programme that uses symbols, signs and speech to enable people to communicate
- ✓ Today over 100,000 children and adults use Makaton symbols and signs, either as their main method of communication or as a way to support speech.
