

# Nursery Fees and Funding Information

## Fees from September 2026

At Always Growing, we aim to provide high-quality childcare in a nurturing, stimulating and inclusive environment. Our fees are reviewed annually and are designed to reflect the cost of delivering high-quality care, experienced staffing, nutritious meals, resources and enriching learning experiences.

## Government Funded Childcare

We offer funded childcare places in line with government funding schemes for eligible families, including:

- 15 hours funded childcare
- 30 hours funded childcare
- Working Parent Entitlements
- Eligible 2-Year-Old Funding

Funded childcare covers the delivery of early education and care only. It does not include additional services or optional extras.

Parents are not required to purchase additional hours or services in order to access their funded entitlement.

Further information about eligibility can be found on the government website.
